### Cheese Tasting

Fowlers of Earlswood are the oldest cheese making family business in England; they have been cheese makers since before 1840 and are continuing the traditions of handcrafted cheeses at the dairy in the leafy pastures of Earlswood – see <http://www.fowlerscheesemakers.co.uk>

Fowlers have kindly agreed to supply a range of their cheeses to taste and they will gladly chat to you and give you information about their cheese and business as we take a leisurely ride along the Severn Valley. There will be a glass of wine supplied to each passenger, but please feel free to bring along your own refreshments. There will also be time for a drink at the Railwayman's Arms or a stroll into Bridgnorth.

**We look forward to seeing you on  
Saturday 3<sup>rd</sup> June**

**Please feel free to bring along your  
Family and Friends**
